

UBS Evidence Lab Disclaimer

This material, whether provided in spreadsheet form (and its values) or via API, (this 'Material') is produced by UBS AG or an affiliate thereof (UBS AG together with its affiliates, 'UBS') as part of its UBS Global Research function and is provided to you solely for general background information. UBS Evidence Lab provides data and evidence for analysis and use by UBS Global Research and its clients. UBS Evidence Lab does not provide investment recommendations or advice.

The Material is provided solely to recipients who are expressly authorized by UBS to receive it. If you are not so authorized you must immediately destroy the Material.

UBS Evidence Lab content is provided to our clients through UBS Neo (whether via downloadable spreadsheets or API), and in certain instances, UBS.com and any other system or distribution method specifically identified in one or more communications distributed through UBS Neo or UBS.com (each a "System") as an approved means for distribution. It may also be made available through third party vendors and distributed by UBS and/or third parties via e-mail or alternative electronic means.

All published UBS Evidence Lab content is available via UBS Neo. Please contact your UBS sales representative if you wish to discuss your access to UBS Evidence Lab content via UBS Neo. The level and types of services provided by UBS Evidence Lab to a client may vary depending upon various factors such as a client's individual preferences as to the frequency and manner of receiving communications, the size and scope of the overall client relationship with UBS and legal and regulatory constraints. In certain cases, there may be a previously published version of a dataset that is no longer available on the UBS Evidence Lab portal. If you would like further details, please contact [UBS Evidence Lab](mailto:ubs-evidence-lab@ubs.com) (ubs-evidence-lab@ubs.com).

Whether you receive UBS Evidence Lab content through a System, via a third party vendor, email or other electronic means, your access and/or use of such content is subject to this UBS Evidence Lab Disclaimer and to the UBS Neo Platform Use Agreement and UBS Evidence Lab Data License Addendum (the "EL Specific Terms") together with the terms of use governing any System or other means of distribution. Your use of the Material is further subject to any general contracting terms you may have with UBS such as the UBS Investment Bank terms of business (<https://www.ubs.com/global/en/investment-bank/regulatory.html>) or to UBS's Terms of Use/Disclaimer (<http://www.ubs.com/global/en/legalinfo2/disclaimer.html>) provided that in the event of any conflict the EL Specific Terms shall prevail. In addition, you consent to UBS processing your personal data and using cookies in accordance with our Privacy Statement (<http://www.ubs.com/global/en/legalinfo2/privacy.html>) and cookie notice (<https://www.ubs.com/global/en/legal/privacy/users.html>).

If you receive UBS Evidence Lab content, whether through a System or by any other means, you agree that you shall not copy, revise, amend, create a derivative work, provide to any third party, or in any way commercially exploit any UBS content provided via UBS Evidence Lab or otherwise, and that you shall not extract data from any content provided to you via UBS Evidence Lab or otherwise, other than as permitted by the EL Terms which you have agreed or with the prior written consent of UBS.

This document is a general communication and is for information purposes only. It is not investment research and does not contain an investment recommendation nor investment or professional advice. UBS has no regard to the specific investment objectives, financial situation or particular needs of any specific recipient. By providing this document, none of UBS or its representatives has any responsibility or authority to provide or have provided investment or professional advice in a fiduciary capacity or otherwise. None of UBS or its representatives is suggesting that the recipient or any other person take a specific course of action or any action at all. In no circumstances may this Material be used for any of the following purposes:

- (i) valuation or accounting purposes;
- (ii) trading purposes;
- (iii) to determine the amounts due or payable, the price or the value of any financial instrument or financial contract; or
- (iv) to measure the performance of any financial instrument.

By receiving this Material you (i) will be deemed to represent and warrant to UBS that you will not use this Material for any of the above purposes or otherwise rely upon this Material, (ii) acknowledge and agree with the intended purpose described above and (iii) further disclaim any expectation or belief that the Material constitutes investment research, investment or professional advice to the recipient or

otherwise purports to meet the investment objectives of the recipient. Nothing in this Material should be construed as a solicitation or an offer to buy or sell any securities or related financial instruments. Past performance is not necessarily a guide to future performance.

Prior to making any investment or financial decisions, any recipient of the Material should seek individualized advice from his or her personal financial, legal, tax and other professional advisors that takes into account all the particular facts and circumstances of his or her investment objectives. UBS has no responsibility to you for any such decision as a result of providing this Material. The value of any investment or income as a result of any investment or financial decision which you make may go down as well as up, and you may not get back the full (or any) amount invested.

Any statements contained in this Material attributed to a third party represent UBS's interpretation of the data, information and/or opinions provided by that third party either publicly or through a subscription service, and such use and interpretation have not been reviewed by the third party.

UBS Evidence Lab personnel may interact with research analysts, trading desk personnel and other parties for the purposes of gathering underlying data and reviewing or analyzing the same in order to prepare the Material. UBS has policies and procedures, which include, without limitation, independence policies and permanent information barriers, that are intended, and upon which UBS relies, to manage potential conflicts of interest and control the flow of information within divisions of UBS and among its subsidiaries, branches and affiliates.
